CHILDREN'S CORNER

DROP-OFF AND PICK-UP: Children may be dropped off after 10:30 and should be picked up immediately following the service. There should be NO children back in the wing before this time, as there is no teaching or security staff to supervise. Please help us keep our kiddos safe!

FAMILY FUN FRIDAY: Thanks to the many hands that made family game night a huge success! The kids had so much fun fellowshiping with one another, and playing so many creative games and crafts. Check back next month for our upcoming adventures!

VOLUNTEERING: If you're looking to get plugged in @ Grace, the children's wing is always in need of new teachers, youth helpers, and security guards. Each Sunday, seven volunteers serve in various units to run our baby-grade five program! If you would like to find out more information on how to get involved, please contact Suzanne (812) 230-8713.

*FEBRUARY MEMORY VERSE: "If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land."
